

Printable Tags for Selling your Items

Print, cut out and secure these tags to items you'd like to sell made using patterns from The Sewing Circle.

A few things to keep in mind

- ✂ Please secure a tag (provided on page 2) to all items made using patterns from the Sewing Circle. You may like to do with a little hole punch, some wool yarn or thread offcuts and small safety pin.
- ✂ Some items will be small and it may not be practical to have these tags attached. In this case please have the tags displayed alongside the items being sold.
- ✂ If for some reason it is not possible to display the tags, please simply provide a tag when someone purchases the item/s.
- ✂ You can print the tags (on page two) on some watercolour paper that you have painted if you'd like to create something a little more magical. You could then use the other side as a price tag or include handwritten details of the item/ materials it was made with etc. Even just plain watercolour paper makes a lovely tag.
- ✂ Items made using patterns from the Sewing Circle are allowed to be sold in person at markets & school fairs but not allowed to be sold online.

You'll find a full page of little tags on page 2 to make printing easy
